Changes to the Code Enforcement Program Begin 1/1/14

On 10/21/13, the City Council of the City of Hollister made some policy changes to the Code Enforcement Program. Beginning January 1, 2014, a complaint will no longer be required to initiate code enforcement proceedings. It is hoped that this change will enable staff to take proactive action about small nuisances, before they become big problems. Staff will be issuing administrative citations for all reported or observed violations. The City of Hollister encourages people to become familiar with the Municipal Code and its regulations. The Municipal Code can be found at this link:
